  - *Geography B* (5)

Professional Experience

Embassy of the Republic of Indonesia

London, United Kingdom

- **Volunteer – Defence Department**

June 2021 – August 2021; June 2022 – August 2022

  - **Junior Flag Raiser – 76th Indonesian Independence Day (17/08/2021)**
    - Enlisted in the flag raiser unit for the 76th Indonesian Independence Day ceremony. Completed two months of physical training, focused on consistency, discipline, and teamwork.
  - **Senior Flag Raiser – 77th Indonesian Independence Day (17/08/2022)**
    - Re-enlisted in the flag raiser unit for the 77th Indonesian Independence Day ceremony. As senior flag raiser, I worked under an officer in the Indonesian Air Force, assisting him in training new recruits, and formally anointed junior flag raisers during the ceremony.

- **Intern – Communications Department** *July 2022 – September 2022*
    - Built and upgraded computers, including BIOS configuration, operating system setup, and troubleshooting hardware issues.
    - Designed daily digital newspapers focused on technology trends.
    - Monitored and maintained the embassy's private server and facilitated secure online meetings.
    - **77th Indonesian Independence Day YouTube Live Broadcast (17/08/2022)**
        - Designed a live broadcast interface using OBS Studio and RTMP server integration with drone footage.
        - Calibrated audio systems, connecting microphones and speakers to the OBS interface using the Allen & Heath ZED Power 1000 audio mixer.

Indonesian Student Association (London Branch) London, United Kingdom

- **Volunteer – Events Department** *March 2023 – June 2023*
    - **Head of Ushers – 1st Resonance of Indonesia "Paryavarana" (03/06/2023)**
        - Managed a team to oversee guest experience, coordinated crowd control and emergency planning at a live performance event. The event generated a total profit of 5%.
